

RESOURCES

The following list of social service agencies and resources is being provided by the Human Services Department to assist SPC students, faculty and staff with career and academic development, professional networking and referrals. Please be advised that inclusion on this list does not necessarily constitute an endorsement of such agency by St. Petersburg College and that agencies are not listed according to a particular preference within each category.

The St. Petersburg College Human Services department maintains this document as a service to the SPC community. It is intended to inform and to educate. Included are direct links to internet sites that we believe may be helpful. However, this does not imply that SPC endorses all of the information at each site. Furthermore, while we attempt to monitor and update our listings on a regular basis, the Human Services department cannot make any claims or assume any responsibility as to the reliability or functionality of the Internet addresses provided or the information provided at the sites.

Readers are encouraged to evaluate the materials and to use what they find to be helpful. Information provided in our web pages and at other web sites is not intended as a substitute for assistance from a licensed mental health professional.
